Director's Meeting

1 November 1951

Mr. Dulles reported that John Moore had called in regard to the [ ] situation. Senator McCarthy claims to have given us all the information on this. Our file on the matter is long and complicated and we appear to have had some contact with [ ] In the past, McCarthy let Pforzheimer see his file on [ ] and Pforzheimer is preparing a memorandum. Mr. Dulles feels that perhaps he should call Moore and state that we know nothing which is not known to FBI and State. At any rate, he will sound Moore out. The DCI stated that he thought this might be coordinated with Mr. Hoover. HR70-14

Mr. Wolf reported on Senator Hayden's call in regard to "Let Freedom Ring" and also the use of our printing facilities. The DCI will call Senator Hayden and suggest that Mr. Wolf see him.

Mr. Wolf brought up a request by O/RR for certain personnel now employed in other Government agencies. The DCI said that we must stick to our agreements and not proselyte. If the people involved have a complete release from their employers, we can take them on in whatever grades we see fit.

Col. Taylor reported on an initial discussion in regard to NSC 10/5 at which Gen. Magruder, Gen. Balmer, [ ] etc. were present.

The DCI stated that he was lunching with [ ] in the near future to discuss matters relating to paramilitary operations. Mr. Wolf and Col. Taylor will give the DCI a memorandum. The Director stated that he would also probably talk to Mr. Lawton of the Bureau of the Budget.

Col. Taylor reported on the role of PSB in regard to JCS. JCS will only go to PSB for policy guidance if CIA requests appear out of line. The DCI agreed that PSB is only a policy group. Col. Taylor stated that the O/PC war plan would be given to PSB for study.
